To Whom It May Concern:

We moved to Hillcrest Bay 4 ½ years ago to live the rest of our lives. We work and own a business here. Our business has struggled to keep the doors open and I have not had a paycheck in 4 years. My significant other works and pays all the bills, so we live on one income and are not retirement age yet. We bought a modest house at the bottom of the hill with no view. After we were here and settled, we started hearing about some residents wanted underground utilities so they have a better view without the poles and wires.

Our complaints about this project are:

1. The cost, we have received 3 different estimations of the cost and they have all been different, and compared to other properties none of them make sense. As stated above, we are struggling to make ends meet and cannot afford this project which is frivolous to us as we do not have a view anyway, so we are supposed to go broke so others can have a better view. If it would help our service from APS and Verizon it might be worth it, but they cannot even guarantee that. There are a lot of other full time people here that also cannot afford it, but did sign the petition as they were harassed to do so.
2. As a full time resident here, it will be a disaster for a long period of time trying to get around while the streets are all torn up. We must go to work and be able to get to our home and we are very concerned about the mess. The residents that are part time, which is most of those that voted for this will not have to deal with the mess, they will wait until it is over to visit their properties, we do not have that luxury.

Please stop this project from going ahead, so that we can live in peace.

Gratefully,

Jeffrey G. Johnson
